Snowflakes for Kenmore City Hall

The City of Kenmore is asking for your help in decorating the City Hall with paper snowflakes. This is a great opportunity to be part of a fun community project and see your snowflake creation at City Hall!

Snowflakes should be made from computer or construction paper so they hold up well.

Please bring your snowflakes to school on **Tuesday, November 27**. There will be a drop-off box in the office.

lead before & after school clubs. Do you have a special talent? Yoga, cooking, origami? If so, please consider volunteering!

When we have a parent-led club, it allows our students to become exposed to new and exciting interests and it also allows the PTA to provide the club at NO CHARGE to our families.

The PTA is here to help through the entire process, so you won't feel like you are on your own. Consider forming a club with another parent who may be interested in volunteering so the workload is shared. There are many options to help make sure the club is not a daunting task but one that is rewarding for the parents and the students.

Please consider sharing your amazing talent today!
