### Parent-Led Club

The PTA is looking for parent volunteers to share their special talents with our Arrowhead students and lead before & after school clubs. Do you have a special talent? Yoga, cooking, origami? If so, please consider volunteering!

When we have a parent-led club, it allows our students to become exposed to new and exciting interests and it also allows the PTA to provide the club at NO CHARGE to our families.

The PTA is here to help through the entire process, so you won't feel like you are on your own. Consider forming a club with another parent who may be interested in volunteering so the workload is shared. There are many options to help make sure the club is not a daunting task but one that is rewarding for the parents and the students.

Please consider sharing your amazing talent today!
