

## Smart with Art 2019-2020 After School offerings:

As we continue to expand and improve our programming, this upcoming school year we are focusing on developing young artists which includes: exploring creativity, building artistic skills and learning proper use of artistic materials.

We have a limited number of after school spaces available and it is best to book the full year to ensure you have the dates and day of the week you desire.

### Fall Session: (September-December 2019)

The Wonders of Watercolors:

Join Smart with Art as we learn brush techniques, working with liquid and solid watercolors, working with a wash as well as developing and exploring our creativity within! We will look Monet and his blending techniques, discover the ancient Chinese lantern designs, discover Edward Hopper and his infatuation with lighthouse as well as design and paint a colorful parrot. As skills build, artists will explore all that watercolor has to offer in this exciting after school program.

### Holiday Workshop: (December 2019)

This one time after school workshop is always a favorite. Get in the holiday spirit as we create an artful handmade gift that will be worthy of display in your home. This workshop is 1.25 hour and is at a set cost of 25.00 per student. Each participant will create one handmade gift that will be designed, created and gift wrapped ready for gift giving! Don't miss out on this holiday workshop filled with fun and creativity!

### Winter Session: (January-March 2020)

The Properties of Pastels- Discovering Oil and Chalk

Join Smart with Art as we explore both oil and chalk pastels. We will explore their unique properties, learn how to properly work with each medium as we explore our creativity. We will create cats and learn about cool colors as we look at artist, Laurel Burch. Explore music and art as we design our own Yellow Submarine inspired by the Beatles, create a sunflowers inspired by VanGogh, as well as create a cupcake you'll want to take a bite of! This class will allow students to expand their creative skills as we discover the unique properties both oil and chalk pastels offer artists.

### Spring Session: (April-June 2020)

Printmaking with Passion

Join Smart with Art as we learn a variety of printmaking techniques. From monoprinting note cards to abstracted art incorporating collographs.

Learn new techniques and expand your artistic skills as we discover all printmaking has to offer! We will create a city skyline and design an animal print as we work with inks, paint and more!
